REQUEST FOR STATUS

Sir:

We respectfully ask to be advised of the status of the above described application.

This case is a 35 USC 371 national stage application based on a PCT application in which an international search report (ISR) was prepared by the US/RO and a favorable international preliminary examination report (IPER) was issued by the US/EO. Accordingly, this is a case which should be taken up out of order per 37 CFR 1.496(b).

To date, Applicant has received no indication that examination has commenced in this case. The Office's PALM system also apparently confirms this. However, a continuation application of this, Ser. No. 09/556,905, filed on 4/20/00, is now in examination and elicited an Office Action on 12/18/00. The passage of time and the odd sequence of events here prompt Applicant's concern that something has gone awry.

If there are questions or issues to resolve in this case we would be happy to have a telephone conference with officials of the Office. Please do not hesitate to contact the undersigned.
